**SNOW FUN** — These Wayland youngsters found the recent snow fall to their liking. A pile of the white stuff at St. Joseph's School parking lot was great for climbing. They are Matt Chichester, 5, left, and Tim Marflack, 3. The boys play while their mothers, Terry Marflack, left, and Beany Chichester keep a watchful eye from a distance.

## Plan Apartment Tours

Wayland area residents are invited to an open house at Lincoln Court, a new 20-unit senior citizen and handicapped apartment complex on Lincoln Street in the village.

Tom Carey, president, Northern Steuben Housing Development Corp., said the program will be from 2 to 5 p.m. Sunday. A formal opening ceremony is scheduled for later this month or in March. He said the Sunday open house program is to allow local residents to tour the facilities at their leisure.

The complex consists of two apartment buildings with 10 units each, and a community building with laundry facilities, a meeting room, and an office.

The project cost \$695,000 to develop. It is financed by a \$660,250 loan from the United States Department of Agriculture Farmers Home Administration, and a \$34,750 contribution from the owners. All of the units are assisted under the state Rural Rental Assistance Program administered by the Division of

Housing and Community Renewal. Rent is based on an occupant's income. Tenants began moving in Feb. 1.

Two Plus Four Construction Co. of Syracuse was the contractor on the project. Robert Vollmer of Corning was the architect. The apartments are being managed by the contracting firm and the Steuben-Livingston Agricultural Project Inc.

Carey said at present, all apartments are committed, but if anyone is interested, they should submit an application to be placed on a waiting list.

## Fire Hits Wayland Business

Burning grease in a deep fryer was reported the cause of a fire shortly before 4:45 p.m. Monday that extensively damaged the building and contents of a Sugar Creek Store Inc. (formerly Woody's Mini-Mart Store) at 403 S. Lackawanna St. in Wayland.

Wayland Fire Chief Randy Moore reported flames from the fryer spread to the single-story structure. He estimated the loss at about \$98,000 to inventory and structure.

Moore said 75 firefighters from Wayland, Perkinsville and Cohocton fought the flames for nearly 45 minutes before bringing them under control. There were no injuries. Volunteers and equipment were at the scene until nearly 8 p.m.
